

EVACUATION ALERT DOWNGRADED TO ALL CLEAR

Shetland Creek Wildfire

August 15, 2024 at 1030 hrs

An **Evacuation Alert** issued by the District of Logan Lake, effective July 26, 2024 at 1030 hours has been **downgraded to All Clear** effective August 15, 2024 at 1030 hours, due to the Shetland Creek Wildfire.

This All Clear notice affects the Highland Valley Copper water intake on the Thompson River within the District of Logan Lake, as outlined on the attached map.

Should conditions change, an Evacuation Alert and/ or an Evacuation Order will be reinstated as necessary.
