District of Logan Lake

Management Report

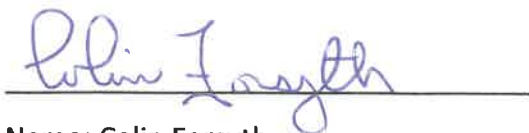

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with generally accepted accounting principles or stated accounting principles, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable information is produced.

Council is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and exercises this responsibility through the Audit Committee of Council. The Audit Committee meets with management and the external auditors once a year.

The external auditors, KPMG, LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the schedules and statements required by the *Act*. Their examination includes a review and evaluation of the municipality's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to the Audit Committee of Council and meet with it on a regular basis.

On behalf of the District of Logan Lake

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The accompanying consolidated financial statements of The District of Logan Lake (the "District") are the responsibility of management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of The Chartered Professional Accountants of Canada. The significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The District's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

Mayor and Council meet with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the District. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the District's consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the District of Logan Lake

Opinion

We have audited the consolidated financial statements of The District of Logan Lake (the "District"), which comprise:

- the consolidated statement of financial position as at December 31, 2020
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the District as at December 31, 2020, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditors' Responsibilities for the Audit of the Financial Statements**" section of our auditors' report.

We are independent of the District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the District's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the District or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the District's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient, appropriate audit evidence regarding the financial information of the entities or business activities within the consolidated entity, to express an opinion on the consolidated financial statements. We remain solely responsible for our audit opinion.

THE DISTRICT OF LOGAN LAKE

Notes to Consolidated Financial Statements

Year ended December 31, 2020

The District of Logan Lake (the "District") was incorporated on November 10, 1970 under statute of the Province of British Columbia. The District provides municipal services such as general government, fire protection, solid waste, planning, development and transportation, leisure, parks and culture, water utility, sewer utility and fiscal services.

On March 11, 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effect on operations are not known at this time; however they could be material. During the year, the District had pauses in certain services, most notably the Municipal Hall closure from March 20, 2020 to May 22, 2020. The Municipality continues to manage liquidity risk by forecasting and assessing cash requirements on an ongoing basis. As at May 11, 2021, the Municipality continues to meet its contractual obligations within normal payment terms.

1. Significant accounting policies:

The consolidated financial statements of the District are prepared by management in accordance with Canadian generally accepted accounting principles for governments as prescribed by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant accounting policies adopted by the District are as follows:

(a) Basis of consolidation:

(i) Consolidated entities:

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the District and which are owned or controlled by the District except for the District's government business enterprise, Logan Lake Community Forest Corporation ("LLCFC") which is accounted for on the modified equity basis of accounting.

The consolidated entity includes the Logan Lake T.V. Society (the "Society"), which receives the majority of its funding by way of an annual grant from the District. In addition, the District owns the tangible capital assets used by the Society for its operations.

Interdepartmental and inter-organizational transactions and balances between these entities have been eliminated.

THE DISTRICT OF LOGAN LAKE

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2020

1. Significant accounting policies (continued):

(a) Basis of consolidation (continued):

(ii) Investment in Government Business Enterprise:

The District's investment in LLCFC is accounted for on a modified equity basis, consistent with Canadian generally accepted accounting principles as recommended by PSAB for investments in Government Business Enterprises. Under the modified equity basis, LLCFC's accounting policies are not adjusted to conform with those of the municipality and inter-organizational transactions and balances are not eliminated. The District recognizes its equity interest in the annual income or loss of LLCFC in its consolidated statement of operations with a corresponding increase or decrease in its investment asset account. Any dividends that the District may receive from LLCFC will be reflected as reductions in the investment asset account.

(iii) Accounting for Thompson-Nicola Regional District and School Board transactions:

The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the Thompson-Nicola Regional District and the school board are not reflected in these consolidated financial statements.

(iv) Trust funds:

Trust funds and their related operations administered by the District are not included in these consolidated financial statements (note 11).

(b) Basis of accounting:

The District follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(c) Government transfers:

Government transfers (other than grants in lieu of taxes) are recognized in the consolidated financial statements as revenues in the periods in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made unless the transfer contains stipulations that create a liability in which case the transfers are recognized as revenue in the periods that the liability is extinguished. Grants in lieu of taxes are recognized at the earlier of when received or when money is determined to be more likely than not to be collected.

THE DISTRICT OF LOGAN LAKE

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2020

1. Significant accounting policies (continued):

(d) Deferred revenue:

Deferred revenue includes conditional government transfers, development cost charges, and other fees which have been collected, but for which the related expenditures or services have yet to be incurred or performed and recognition criteria not yet met. In addition, certain user charges and fees are collected for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed or expenditures incurred.

(e) Cash equivalents:

Cash equivalents include highly liquid investments with a term to maturity of 90 days or less at acquisition.

(f) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Useful life - years
Land improvements	20-40
Buildings and building improvements	20-60
Vehicles, machinery and equipment	5-50
Linear assets	15-60
Furniture and IT equipment	3-10
T.V. equipment	7-50

Assets under construction are not amortized until the asset is available for productive use.

THE DISTRICT OF LOGAN LAKE

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2020

1. Significant accounting policies (continued):

(f) Non-financial assets (continued):

(ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(iii) Natural resources:

Natural resources that have not been purchased are not recognized as assets in the financial statements.

(iv) Works of art and cultural and historic assets:

Works of art and cultural and historic assets are not recorded as assets in these financial statements.

(v) Interest capitalization:

The District does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

(g) Use of estimates:

The preparation of financial statements in conformity with PSAB requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Management reviews these estimates on a periodic basis and, where necessary, makes adjustments prospectively.

(h) Land held for resale:

Land held for resale is recorded at the lower of cost and net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing.

THE DISTRICT OF LOGAN LAKE

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2020

1. Significant accounting policies (continued):

(i) Contaminated sites:

Contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of chemical, organic, or radioactive material or live organism that exceeds an environmental standard.

A liability for remediation of contaminated sites is recognized, net of any expected recoveries, when all of the following criteria are met:

- a) an environmental standard exists
- b) contamination exceeds the environmental standard
- c) the organization is directly responsible or accepts responsibility for the liability
- d) future economic benefits will be given up, and
- e) a reasonable estimate of the liability can be made.

3. Net financial assets of Logan Lake TV Society:

The District has made certain tangible capital assets available for use to the Society. The District collects and transmits a levy for the Society for operating purposes. The Society's year end is June 30 and there have been no events relating to or transactions of the Society that occurred during the intervening period that would significantly affect the financial position or results of operations of the District.

The following is a summarized financial statement of the Society, which has been included in the consolidated financial statements of the District:

	2020	2019
Statement of Financial Position:		
Cash and marketable securities	\$ 149,386	\$ 132,116

6. Term debt:

- (a) The District issued debt instruments through the MFA to finance the cost of constructing a new firehall. Under the terms of the debt, the District is required to make principal payments once annually while interest is calculated semi-annually at 3.5% per annum and is based on the original debt principal borrowed. Associated with these principal payments, the MFA provides an actuarial adjustment, which is a non-cash reduction in the loan balance representing the investment earnings the MFA expects to realize on each principal payment.

Debt interest charges are recorded as an expense in the period incurred. Principal payments and actuarial adjustments are applied to reduce recorded liabilities.

Changes in term debt are shown below:

	2020	2019
Balance, beginning of the year	\$ 1,604,519	\$ 1,850,716
Principal payments	(216,568)	(216,568)
Actuarial adjustment of term debt	(38,376)	(29,629)
Debt, end of year	\$ 1,349,575	\$ 1,604,519

- (b) Total principal payments required of the District for the next 5 years are as follows:

2021	\$ 216,568
2022	216,568
2023	216,568
2024	216,568
2025	216,568
	\$ 1,082,840

Scheduled debt repayments may be suspended by the MFA if the MFA anticipates that it has sufficient investment assets to cover the remaining principal and interest repayments of the MFA funding debentures.

12. Commitments and contingencies:

- (a) The District, as a member of the Thompson Nicola Regional District, is liable for its proportion of any operating deficits or long-term debt related to functions in which it participates.
- (b) The District and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trustee pension plan. The Board of Trustees, representing plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. As at December 31, 2019, the Plan has about 205,000 active members and approximately 101,000 retired members. Active members include approximately 40,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the Plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the Plan. This rate is then adjusted to the extent there is amortization of any funding deficit.

The most recent valuation for the Municipal Pension Plan as at December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The next valuation will be as at December 31, 2021 with results available later in 2022.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the Plan.

The District paid \$137,469 (2019 - \$137,022) for employer contributions, while employees contributed \$118,385 (2019 - \$119,725) to the Plan in fiscal 2020.

12. Commitments and contingencies (continued):

- (c) From time to time the District is brought forth as a defendant in various lawsuits. The District reviews its exposure to any potential litigation for which it would not be covered by insurance and assesses whether a successful claim against the District would materially affect the consolidated financial statements of the District. The District is currently not aware of any claims brought against it that if not defended successfully would result in a material change to the consolidated financial statements of the District.
- (d) The District is a participant in the Municipal Insurance Association of British Columbia. Should the Association pay out claims in excess of premiums received, it is possible the District, along with the other participants, would be required to contribute towards the deficit.
- (e) Debt Reserve Funds:

The District issues debt instruments through the MFA. Under borrowing arrangements with the MFA, the District is required to lodge security by means of demand notes and interest-bearing cash deposits based on the amount of the borrowing. As the debt principal is retired, demand notes are released and the cash deposits are refunded and recorded as operating income in the period received. As a condition of these borrowings, a portion of the proceeds is withheld by the MFA as a debt reserve fund. These demand notes are contingent in nature and are not recorded in the financial statements.

At December 31, 2020, the District had \$28,962 (2019 - \$28,378) in cash deposits and \$110,825 (2019 - \$110,825) in contingent demand notes.

- (f) The District has provided a letter of guarantee of \$10,000 (2019 - \$10,000) to Canadian Imperial Bank of Commerce (the "CIBC") on behalf of Meadow Creek Golf Club (the "Club"), representing a continuing guarantee covering both the present and future liabilities of the Club for a revolving line of credit at the current prime rate + 1%.

The guarantee would require the District to make payment in the event that the Club does not meet its payment obligations to the CIBC. The outstanding loan balance at December 31, 2020 was \$nil (2019 - \$nil).

14. Segmented information (continued):

(c) Planning, Development, and Transportation Services:

Planning, development and transportation includes the Public Works Department, which is responsible for the delivery of municipal public works services related to the planning, development and maintenance of roadway systems and street lighting. This function also includes certain tourism and economic development activities.

(d) Leisure, Parks and Cultural Development:

Leisure, parks and cultural development includes the Logan Lake Recreation Centre operations, the Society operations, various community events, and maintenance of parks, cemetery and other open spaces.

(e) Solid Waste Services:

The District is responsible for environmental programs including solid waste collection, disposal and recycling.

(f) Water Utility:

The District is responsible for environmental programs including the engineering and operation of the potable water system.

(g) Sewer Utility:

The District is responsible for environmental programs including the engineering and operation of the wastewater systems.

Certain allocation methodologies are employed in the preparation of segmented financial information. Taxation and payments-in-lieu of taxes are allocated to the segments based on the segment's budgeted net expenditure. User charges and other revenue have been allocated to the segments based upon the segment that generated the revenue. Government transfers have been allocated to the segment based upon the purpose for which the transfer was made. Development charges earned and developer contributions received were allocated to the segment for which the charge was collected.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.

THE DISTRICT OF LOGAN LAKE

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2020

15. Budget data:

The budget data presented in these consolidated financial statements is based upon the 2020 operating and capital budgets approved as the 2020 to 2024 Financial Plan by Council on May 20, 2020. The legislative requirements for the Financial Plan are that the cash inflows for the period must equal planned cash outflows.

Cash inflows and outflows budgeted for include such items as transfers to and from reserves, transfers to and from operating surpluses and proceeds on sale of assets. These items are not recognized as revenues and expenses in the Statement of Operations as they do not meet the definition of such under public sector accounting standards. PSAB requires that budget figures be presented on the same basis of accounting as actual figures.

The chart below reconciles the budget figures reported in these consolidated financial statements to the approved Financial Plan.

	Budget amount
Surplus - Statement of Operations	\$ 491,200
Adjust for budgeted items not included in Statement of Operations:	
Transfers from reserve funds	2,052,300
Acquisition of tangible capital assets	(3,214,900)
Principal repayments on borrowing	(216,600)
Non-cash items	888,000
Total Adjustments	(491,200)
Financial Plan Balance	\$ -
