

Local Government Climate Action Program Survey Submission Report

Logan Lake

Report generated on Tuesday, June 21, 2022 10:35 PST

Question	Answer
1. Does your local government or Modern Treaty Nation have a climate action plan or strategy?	Yes
1.a. Indicate the date the plan was adopted.	The Corporate GHG Reduction Plan was presented to Council on April 10, 2019
1.b. Include a link to the document (URL) or webpage.	https://loganlake.civicweb.net/document/18131/
2. For the calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose corporate greenhouse gas (GHG) emissions?	No, corporate GHG emissions are measured, but not made public
3. For calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose a community-wide emissions inventory?	No, and we are not intending to undertake due to lack of expertise/technical capacity
4. Is your local government or Modern Treaty Nation tracking progress on its community-wide GHG reduction target?	No

4.e. If no, select all that apply:	"No, due to a lack of resources"
5. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Buildings	The District of Logan Lake received a Commercial Energy Assessment Program Report from Fortis BC for our Recreation Centre on October 15, 2021. The report includes recommendations that have potential to deliver energy savings, The District will evaluate the cost / benefits before any implementation in the near future.
6. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Transportation	The District of Logan Lake has entered into an Agreement with the Community Energy Association for the development of 2 Level 2 Electric Vehicle Charging Stations as per the electric vehicle charging station network across central and northern BC.
7. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Community	The District of Logan Lake has amended its Revitalization Tax Exemption Program Bylaw to facilitate investment by providing property tax relief for renewable energy development within our community.
8. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Climate Resilience	N/A
9. Which elements of your community's current official community plan (OCP) (or other relevant strategies, policies and/or plans) support the creation of more complete, compact communities?	One of the policies of the District of Logan Lake's OCP is to develop opportunities and infrastructure that enables residents to reduce their motor vehicle travel within the community.
10. What actions has your local government or Modern Treaty Nation taken to increase community completeness and compactness since 2020 (e.g. urban containment boundary, increasing density by allowing secondary suites and laneway or carriage housing options)?	The District of Logan Lake has approved Zoning Bylaw amendments from single family residential to single family residential with a secondary suite. District Council has also approved amendments to lot development agreements to include residential duplexes from single family dwellings in order to increase densification.
11. What data would be most valuable to your local government or Modern Treaty Nation in decision-making related to the creation of complete, compact communities?	The data that would be most valuable would be up to date community energy use data which reports emissions from road transportation, buildings, and solid waste.

12. From 2021 to now, has your local government or Modern Treaty Nation taken any action(s) to address climate impacts?	Logan Lake does not have the resources in place to address climate impacts.
13. Has a climate risk and vulnerability assessment (or similar assessment) been undertaken for your local government or Modern Treaty Nation?	No, and we are not intending to undertake due to lack of expertise/technical capacity
14. What are the three most significant climate hazards faced by your jurisdiction	"Wildfire", "Extreme heat and heat stress", "Extreme cold, snow and ice", "Wind, rain, and other storm events", "Water shortage", "Ecological, cultural and/or human health impacts (examples of cultural impacts include threats to identities, languages, and livelihoods; examples of ecological impacts include biodiversity loss, erosion, invasive species, ecosystem changes)", "Overland flooding", "Coastal flooding, storm surge events and/or other coastal hazards"
15. Are you responding to this survey on behalf of a Modern Treaty Nation?	No
16. Based on the hazard you indicated as most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households", "Seniors"
17. Based on the hazard you indicated as second most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households", "Seniors"
18. Based on the hazard you indicated as third most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households", "Seniors"
19. Select the top three factors your local government or Modern Treaty Nation needs most to increase the capacity to adapt to climate impacts and build community resilience.	"Increased funding", "More community engagement and activation", "Increased staff knowledge, expertise and data specific to climate adaptation"

<p>20. How does your local government or Modern Treaty Nation ensure equitable access to, and distribution of, climate action opportunities and benefits?</p>	<p>"There are no specific measures in place at this time to ensure equitable access to, and distribution of, opportunities and benefits"</p>
<p>21. Do the climate action plan(s) and priorities of your local government or Modern Treaty Nation align with the climate action plans and priorities of senior levels of government?</p>	<p>"No, we do not assess our climate plans and priorities to ensure they align with those of senior levels of government"</p>
<p>22. Is your local government a signatory to the B.C. Climate Action Charter or a Modern Treaty Nation?</p>	<p>Yes</p>
<p>23. To demonstrate commitment to climate action, climate investments (i.e., matching funding or in-kind contributions) equivalent to 20% of the provincial funding received are required of local governments and Modern Treaty Nations. The intent is to show past, current, and future investments in climate action and create awareness and education.</p>	<p>"Staff time", "Climate or energy plans, policies and/or strategy development"</p>
<p>24. Please provide your (or survey primary contact's) first and last name.</p>	<p>Colin Forsyth</p>
<p>25. Please indicate your (or survey primary contact's) position with your local government or Modern Treaty Nation.</p>	<p>Director of Finance</p>
<p>26. Please provide your (or survey primary contact's) business email address.</p>	<p>finance@loganlake.ca</p>

27. Please provide your (or survey primary contact's) business phone number.	2505236225
